Owner agrees to indemnify, defend and hold Tug Interests harmless from and against any and all claims, demands, causes of action, liabilities and costs (including attorney's fees and third party claims of whatever nature) in excess of the applicable amounts set forth above that are attributable to the acts or omissions, whether or not negligent, of Tug Interests, or to unseaworthiness of any tug and which arise out of or in connection with any occurrence or series of occurrences related to the provision of tug services pursuant to this Contract. Nothing herein shall preclude Tug Interests from recovering from any responsible party for any damages sustained by any tugs, or their Masters or crews, providing services hereunder.

PILOTAGE: Tug Interests do not furnish pilots or pilotage to vessels making use of or having available their own propelling power, so that whenever any licensed pilot, or a captain of any tug which is furnished to or is engaged in the services of assisting a vessel making use of or having available her own propelling power at the commencement of such service, participates in directing the navigation of such vessel, or in directing the assisting tugs, from onboard such vessel or from elsewhere, it is agreed that he becomes the borrowed servant of the vessel assisted and her owner, operator and charterer and being subject to the exclusive supervision and control of the vessel's personnel. For the purposes of this paragraph, vessels making use of or having available their own propelling power shall be deemed to include tug/barge units and vessels of any description having, at any time the service is commenced, another tug in assistance.
